

## Late Collection and Non-Collection

EYFS: 3.73
------------

At Palace Day Nursery we expect all parents to agree to session finish times to collect their child from the nursery. We give parents information about the procedures to follow if they expect to be late. These include:

- Agreeing a safety password with the nursery in advance to be used by anyone collecting a child who is not the parent (designated adult)
  - Calling the nursery as soon as possible to advise of their situation
  - Asking a designated adult to collect their child wherever possible
  - Informing the nursery of this person's identity so the nursery can talk to the child if appropriate. This will help to reduce or eliminate any distress caused by this situation
- If the designated person is not known to the nursery staff, the parent must provide a details of the person which includes full name. This designated person must know the individual child's safety password and present a photographic ID in order for the nursery to release the child into their care. This is the responsibility of the parent.

If a child has not been collected from the nursery after a reasonable amount of time *5 minutes* has been allowed for lateness, we initiate the following procedure:

- The nursery manager will be informed that a child has not been collected
- The manager will check for any information regarding changes to normal routines, parents' work patterns or general information. If there is no information recorded, the manager will try to contact the parents on the telephone numbers provided for their mobile, home or work. If this fails the manager will try the emergency contacts shown on the child's records
- The manager/staff member in charge and one other member of staff must stay behind with the child (if outside normal operating hours). During normal operating times, the nursery will plan to meet required staff ratios. If the parents have still not collected the child, the manager will telephone all contact numbers available every 10 minutes until contact is made.
- In the event of no contact being made after **45 MINUTES** has lapsed, the person in charge will ring the local authority children's **MASH** emergency duty team
- The nursery will inform **Ofsted** as soon as convenient
- The two members of staff will remain in the building until suitable arrangements have been made for the collection of the child
- If the child is not collected before **6.45pm** and contact has not been made with the family, staff will inform **MASH 01908 253169/01908 253170**
- **The nursery closes at 6pm promptly each day, late collections after 6pm will incur a charge of £20 within the first 15 minutes and there after a charge of £25 for every additional 15 minutes.**
- The child's welfare and needs will be met at all times and to minimise distress staff will distract, comfort and reassure the child during the process
- In order to provide this additional care a late fee of **£5 per 5 minutes** will be charged to parents. This will pay for any additional operational costs that caring for a child outside their normal nursery hours may incur.
